

PLEDGE TO SAVE WATER AND PROTECT THE ENVIRONMENT!

Hey Kids! We all use water in many ways that includes drinking, bathing, washing and watering our lawns, but water is a limited resource.

That is why it is important that we use water wisely every day. Kids play an important role in making sure that every drop of water counts and there are things you can do to help your family save water. If everyone saves a little — together we can save a lot!

Contest: Middlesex Water Company is asking **2nd-5th** graders to decorate the attached water drop and provide an idea to save water and protect our environment. Winners will be selected on creativity and originality in decorating the water drop and their idea. Each winner will receive a \$25.00 Gift Card and certificate at an awards ceremony held at our water treatment plant in early May.

To Enter:

1. On the next page, write down one idea on how you and your family can save water and/or protect the environment, then decorate your water drop.
2. Hand in your completed contest form to your teacher or mail your entry to the following address: **Middlesex Water Company, 1500 Ronson Road, Iselin, NJ 08830**
Attention: Water Drop Pledge Contest
3. This contest form can also be downloaded from our website at: www.middlesexwater.com. Questions: Please call 732-638-7510.

All entries should be postmarked by: April 20, 2010

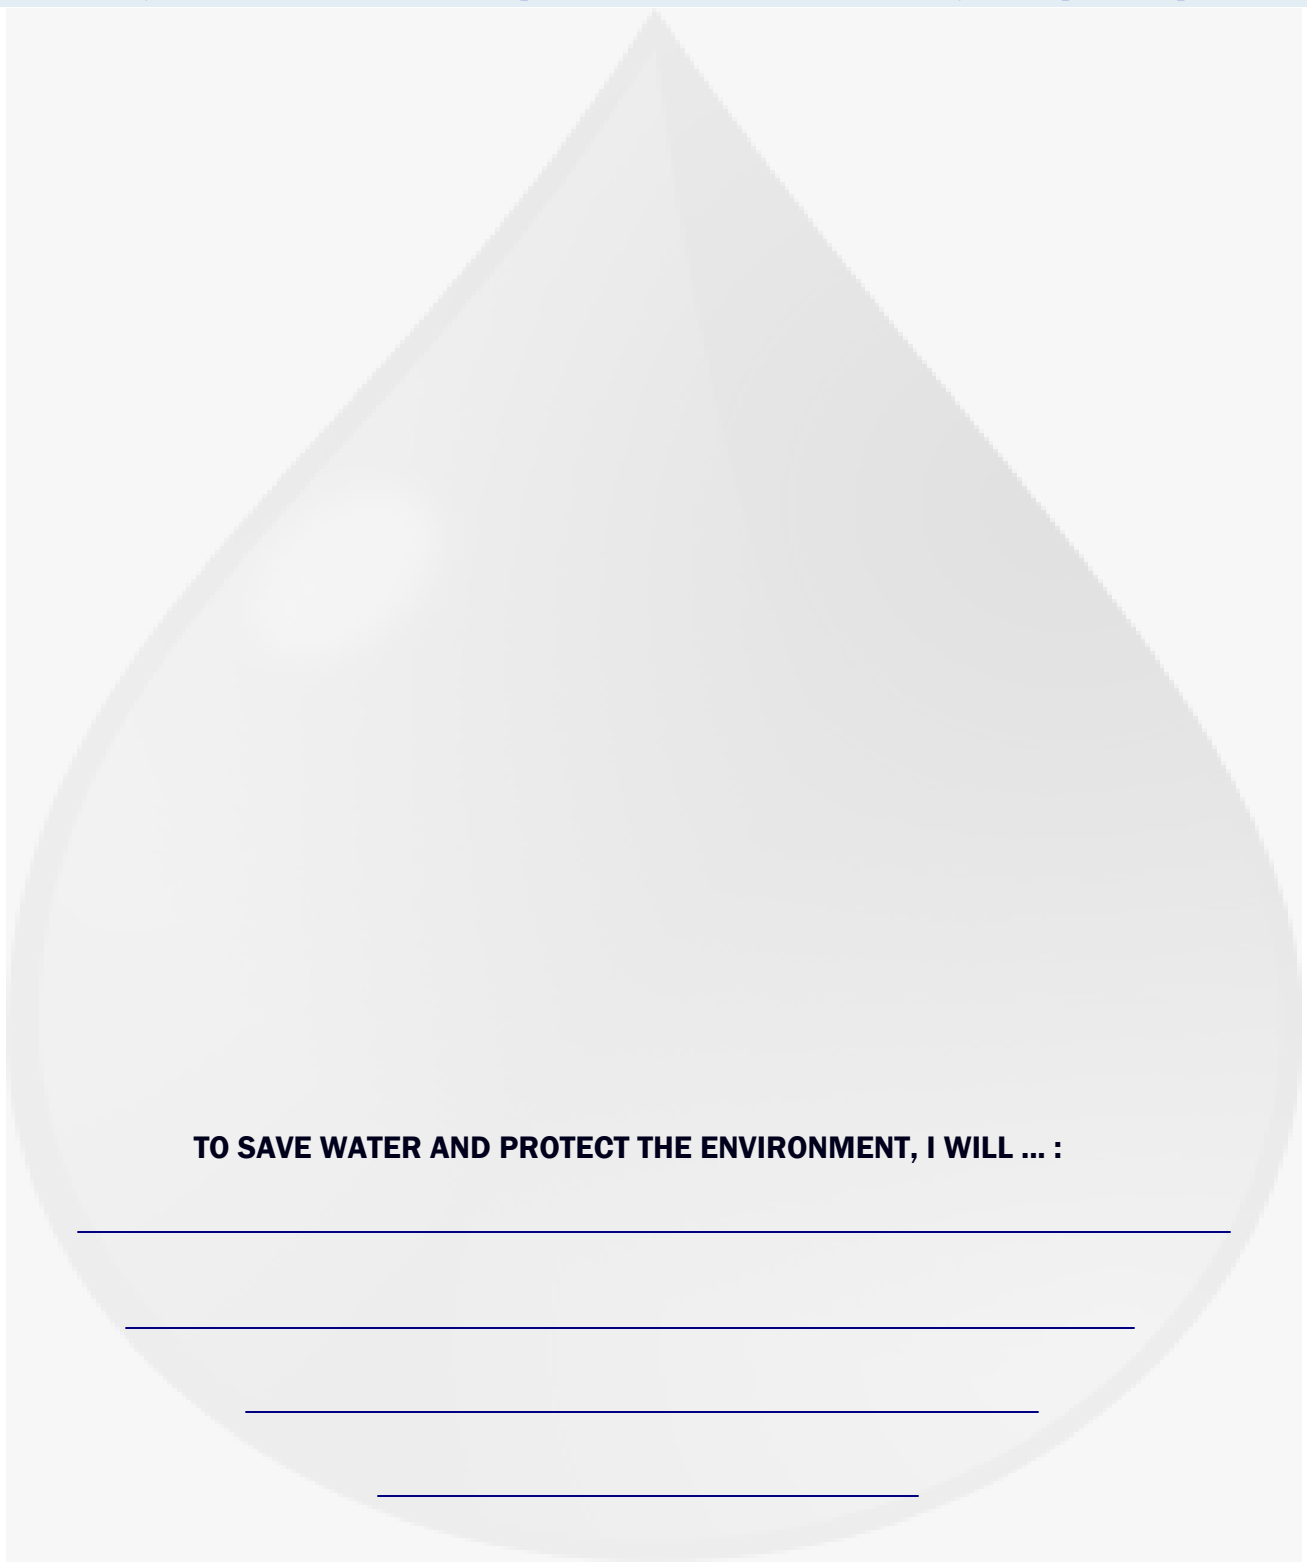

“Providing Water, Wastewater and Related Products and Services”
www.middlesexwater.com

Note: All submissions are considered property of Middlesex Water Company and will not be returned. Winning Schools will be notified in early May.

We regret that due to the growing number of contest entries, it is only possible for us to contact the schools of the winning entries.

Write about your idea to save water and/ or protect the environment & decorate your drop in the space below:
